INVITATION FOR PREQUALIFICATION

REPUBLIC OF MACEDONIA
ROAD UPGRADING AND DEVELOPMENT PROJECT
TRANSPORT
CONSTRUCTION OF EXPRESS ROAD RANKOVCE – KRIVA PALANKA in two Lots
Loan No.8525-MK
Project ID No. P149955
Invitation for prequalification RUDP-W-ICB-01

This invitation for prequalification follows the general procurement notice for this project that appeared in Development Business No. WB 620-02/16 of February 11,2016 on line.

The Public Enterprise for State Roads (PESR) has received financing from the World Bank toward the cost of the Road Upgrading and Development Project, and it intends to apply part of the proceeds toward payments under the contract for Construction of express way from Rankovce to Kriva Palanka along the Corridor VIII. The PESR intends to prequalify contractors and/or firms for Construction of Express Way from Rankovce to Kriva Palanka in two lots:

- Lot No. 1: Construction of section Dlabocica-Catal (yellow line) 14km, and
- Lot No.2: Construction of section Kriva Palanka-Dlabocica (blue line) 9km.

This investment will upgrade a section of the vital international corridor VIII by financing the construction of the express road along the east section of the corridor which connects to Bulgaria. This section of the corridor passes through the north-east part of the country. North East planning region is the poorest among the eight planning (statistical) regions in Macedonia. This segment is currently in poor condition. It carries around 3,000 vehicles per day, is narrow (around 6.4 meters) with many places without shoulders, and passes along many villages, which will make its rehabilitation with partial widening difficult. The new road is on a hilly terrain, thus around 10 bridges will need to be constructed with a total length of about 1.5 km. The new road sections will be 24.64 km long, one lane in each direction with a width of 11m to 12m. Road design will take into account road safety considerations. It is expected that invitations to bid will be made in April 2016.

Prequalification will be conducted through the procedures as specified in the World Bank's [Guidelines: Procurement under IBRD Loans and IDA Credits](#), (dated January 2011 and revised July 2014), and is open to all eligible bidders as defined in the guidelines.

Interested eligible bidders may obtain further information, and inspect the prequalification documents, from the Public Enterprise for State Roads at the address below during office hours 09:00 to 16:00 Macedonia time.
