for

Rehabilitation and Improvement of A2 Kriva Palanka - to Deve Bair Road Section, km 0 - km 13

Project name	Kriva Palanka - Bulgarian Border Road
Country	Republic of North Macedonia
Business sector	Transport
Project ID	49118
Funding source	EBRD
Type of contract	Works
Type of notice	Invitation for Tenders
Issue date	16.04.2019
Closing date	17.06.2019

INVITATION FOR TENDERS – Single Stage

This Invitation for Tenders follows the General Procurement Notice for this project which was published in *Procurement Opportunities* on the EBRD website on 25.02.2019.

Public Enterprise for State Roads hereinafter referred to as the Employer, intends using part of the proceeds of a loan/grant from the European Bank for Reconstruction and Development (the Bank) towards the cost of **Rehabilitation and Improvement of A2 Kriva Palanka - to Deve Bair Road Section, km 0+000 - km 13+000**.

The Public Enterprise for State Roads now invites tenders from contractors for the following contract to be funded from part of the proceeds of the loan:

- Construction works for the reconstruction and rehabilitation of a single two-lane carriageway road section, 13,187 km in length, between Kriva Palanka and Deve Bair near the Bulgarian border which is part of the eastern section of the Pan-European Road Corridor VIII.

The section Kriva Palanka – Deve Bair is divided into three subsections:

- Subsection 1: from km 0+000,00 up to km 2+660,00, where pavement rehabilitation will be carried out.

- Subsection 2: from km 2+660,00 up to km 7+964,44, where reconstruction will be carried out by:

- Widening with a third lane to the part of the route from km 2+660 to km 3+550
- Realignment of a short stretch of road between km 3+550 and km 4+125 in order to remove some tight horizontal curves and allow the driving speed to increase.
- Widening with a third lane from km 4+125 to km 7+964,44, with exception of the length passing through Zidilovo village (km 5+300 – 6+000).

- Subsection 3: from km 7+964,44 up to km 13+187,64, where rehabilitation of the existing three-lane carriageway will be carried out, without widening.

Also, the Project includes: construction of 4 new bridges on the realigned part, demolition and replacement of 2 existing bridges, widening and in-situ reconstruction of 2 existing bridges and reconstruction of 1 existing bridge.

Basic preliminary quantities are: earthworks 175.000 m³, concrete works 7.000 m³, asphalt works 35.000 t.

Time for Completion of the Works is: 24 (twenty four) months

The contract for works will be in accordance with FIDIC conditions of contract (Red Book - First Edition 1999, Conditions of Contract).

The contract is expected to start on 05/08/2019 and last about 24 months.

This tender will be conducted by e-procurement using the EBRD Client E-Procurement Portal (ECEPP). Prospective participants who have registered in ECEPP and expressed an interest in the contract may access the documents and may request clarification and further information from the client through ECEPP. Non-registered firms should register on ECEPP at this link:

<https://ecepp.ebrd.com/respond/S87P6XXKXP>

The proceeds of the loan from/ grant administered by the Bank will not be used for the purpose of any payment to persons or entities, or for any import of goods, if such payment or import is prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations or under a law or official regulation of the Client's country.
