### INVITATION FOR TENDERS

This Invitation for Tenders follows the General Procurement Notice for this project which was published on the European Bank for Reconstruction and Development (the Bank) - EBRD website 16.02.2015, and the updated General Procurement Notice (Procurement Ref. 9587-GPN-45987) is published on 28.02.2020 on the EBRD website. Public Enterprise for State Roads hereinafter referred to as the Employer, intends using part of the proceeds of a loan from the Bank towards the cost of the above cited project.

The Employer now invites sealed tenders from contractors for the following contract to be funded from part of the proceeds of the loan:

**Completion of the outstanding works on Rehabilitation with a widening of Motorway A1, section Petrovec – Katlanovo (left and right carriageway),** after the Contract termination in September 2021. This road section is divided in three subsections according to the type of the Works:

- Rehabilitation with widening of the Motorway A 1, section Petrovec - Katlanovo (left carriageway), from km 23+281,13 to km 28+460, 76 in total length of 5,18 km.
- Rehabilitation of the Motorway A 1, section Petrovec - Katlanovo (right carriageway), from km 37+046,94 to km 41+798,92 (total length of 4,75 km) and
- Rehabilitation with widening of the Motorway A 1, section Petrovec - Katlanovo (right carriageway), from km 41+798,92 to km 42+618,82 (total length of 0,82 km).

The left and the right carriageway shall be widened up to the full motorway cross section with width of 10.75m, where the design foresees construction of an additional traffic stopping lane, and at the same time, the pavement shall be rehabilitated on the entire left and right carriageway, according to the abovementioned chainage.

In general, the works on reconstruction / widening include earth excavation, demolishing of the existing gutters, dismantling the safety guard rail, construction of improved sub-grade, construction of sub-base layer of crushed stone, construction of pavement (bituminous bearing layer and asphalt concrete layer), and the works on rehabilitation are consisted of removing asphalt layer, scraping, cutting, sealing active cracks, repair of shoulders and gutters, patching potholes, spraying of pavement with emulsion, applying new asphalt

layers, cleaning of culverts and channels etc. This Project refers to the northern part of the Republic of North Macedonia.

Time for Completion of the Works is 12 months.

The Contract for works will be in accordance with FIDIC Conditions of Contract (Red Book - First Edition 1999, Conditions of Contract).

The assignment is expected to start in July 2022.

This open tender single stage exercise will be conducted by e-procurement using the EBRD Client E-Procurement Portal (ECEPP). Interested firms should register on ECEPP at the following link:

<https://ecepp.ebrd.com/respond/936CMTABM2>

Prospective tenderers who have registered in ECEPP and expressed an interest in the contract may access the tender documents and may request clarification and further information from the client through ECEPP.

Tendering for contract to be financed with the proceeds of a loan from the Bank is open to firms from any country. The proceeds of the Bank's loan will not be used for the purpose of any payment to persons or entities, or for any import of goods, if such payment or import is prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations.
