Invitation For Prequalification

1. Funding Details

The above named client intends to use part of the proceeds of a loan from/grant administered by the European Bank for Reconstruction and Development (the Bank) towards the cost of the above named contract(s).

Additional financing information:

The European Bank for Reconstruction and Development (EBRD) will finance the construction of the 10.5 KM long TEN route 6 Skopje - Kosovo motorway, known as the second phase. The Public Enterprise for State Roads has borrowed a loan from the EBRD in the value of EURO167,600,000 (one hundred sixty-seven million six hundred thousand Euros), subject to the terms and conditions set forth or referred to in this Agreement. In contrast, the Western Balkans Investment Framework approved an investment grant of up to EUR 20,800,000 (twenty million eight hundred thousand Euros) of the capital cost for the Project, such license to be provided to the Borrower under the terms of a grant agreement (the "Grant Agreement") between the Bank and the Borrower.

2. Information on the Procurement Exercise

Contracts will be subject to the Bank's Procurement Policies and Rules and are open for participation for firms from any country, unless otherwise specified in the procurement documents.

The type of contract and the procurement method is stated above. A full description of the procurement exercise is available within the documentation and is available free of charge in ECEPP.

The documentation will include such information as: detailed technical and financial requirements; any information on lots; the expected outcome; eligibility and qualification requirements; contract start date; planned contract duration; any response requirements; any other relevant information.

This procurement exercise will be conducted using the EBRD Client E-Procurement Portal (ECEPP). Prospective participants can access the procurement exercise by clicking on the below link or on the 'Access Opportunity' button (if viewing this notice on ECEPP). Registered participants may log in and access the documentation immediately and unregistered participants may do so after completing a brief registration:
