Invitation For Expression Interest

1. Funding Details

The above named client intends to use part of the proceeds of a loan from/grant administered by the European Bank for Reconstruction and Development (the Bank) towards the cost of the above named contract(s).

Additional financing information:

This assignment for selecting the Consultant (The Engineer) will be financed through the EBRD loan secured from the Public Enterprise for State Roads of the Republic of North Macedonia, and it will serve to supervise approx. 10 KM construction of a highway.

2. Information on the Procurement Exercise

Contracts will be subject to the Bank's Procurement Policies and Rules and are open for participation for firms from any country, unless otherwise specified in the procurement documents.

The type of contract and the procurement method is stated above. A full description of the procurement exercise is available within the documentation and is available free of charge in ECEPP.

The documentation will include such information as: detailed technical and financial requirements; any information on lots; the expected outcome; eligibility and qualification requirements; contract start date; planned contract duration; any response requirements; any other relevant information.

This procurement exercise will be conducted using the EBRD Client E-Procurement Portal (ECEPP). Prospective participants can access the procurement exercise by clicking on the below link or on the 'Access Opportunity' button (if viewing this notice on ECEPP). Registered participants may log in and access the documentation immediately and unregistered participants may do so after completing a brief registration:

3. Other Information

The Client now invites applications to prequalify for the Construction Supervision For Road Corridor VIII Kichevo - Bukojchani (Km 2+500 To Km 12+727) to be funded from the above proceeds:

- 1.) To provide contract administration and engineering supervision services for the construction Works performed by the Contractors during the construction period and defect notification period (DNP) upon commissioning;
- 2.) To provide assistance and advice to the Employer on managing the Work Contract with the Contractor under the Project;
- 3.) To assume and carry out the duties of the "Engineer" concerning Works Contracts signed by the Employer with Contractors for the performance of construction Works of the above subsections of the motorway, according to FIDIC conditions of contracts with due diligence. Wherever appropriate and not in conflict with the Contracts, the Consultant shall exercise every reasonable care to protect the interests of the Employer;
- 4.) To advise the Employer on all matters concerning claims from the Contractors and to make recommendations thereon, including possible recourse to the Dispute Adjudication Board (DAB);
- 5.) To control the implementation of the Environment and Social Management Plan (ESMP) by the Contractors and to assist the Employer in their ESMP responsibilities.

The Assignment is expected to start in 3rd quarter of 2024 and has an estimated overall duration of 76 months, out of which:

- Inception phase: 1 month;
- Construction phase: 48 months,
- Defect Notification Period: 24 months;
- Performance Certificate and closing activities: 3 months.

The procurement document for the Contract contains a full description of the procurement process, evaluation methodology, eligibility and qualification requirements for participants, and the requirements of the Contract, which can be obtained by contacting the Client.

4. Client Address

The client's address is for information only. To register interest, access the documentation using the available links. Participants must use the ECEPP message centre for communication with the client.
